

PRESS RELEASE
October 17th 2017, Brussels

FTA Europe Diamond Awards 2018 to be held at the hotel Barceló in Milan on Wednesday 30th May 2018

The FTA Europe Diamond Awards 2018 will be held at the hotel Barceló in Milan! The ceremony will take place on Wednesday 30th May 2018 during the period of the Print4All Fair. After a successful 1st edition in Dusseldorf in June 2016, with over 230 participants and 30 flexo companies awarded for their works, FTA Europe will continue to celebrate the best of flexo printing.

Following national-level awards, those winning 1st place will participate automatically in the European FTA Europe Diamond Awards. In 2016, 10 categories were awarded, plus the Best in Flexo (the best sample among all the categories). In 2018, some categories will be added, increasing the number of companies that will be awarded and the quality of the event. The announcement of the companies selected to participate in the Awards will be communicated in late March 2018, after the jury meeting and evaluation. This guarantees that the whole evaluation process will await the end of all the national awards taking place between November 2017 and March 2018. These new winning companies will be added to the ones winning in late 2016 and beginning of 2017. All together (approximately 120) they will compete at the FTA Europe Diamond Awards 2018.

Registrations are open! Different types of sponsorship opportunities are available for companies, and participants can also book 10-seat tables and single tickets. Delegates from companies, national associations, media partners and stakeholders involved in the flexo community are invited to participate in the Diamond Awards, which are designed to shape and foster the quality of printing flexography across Europe.

Companies interested in sponsoring the Awards or in booking a 10-seat table, and individuals interested in purchasing single tickets to attend the ceremony can contact their national association or Luca Conti at lconti@fta-europe.eu.

– ENDS –

Notes to Editor

FTA Europe represents the common interests of 6 national and european flexographic printing industry associations, providing a common platform for flexo associations to promote European exchange, collaboration and alignment.
