

# Join FTA Europe as an Associate Member

Being part of FTA Europe means that our industry in Europe is **stronger** and **more connected**, which creates **real, tangible benefits for your company**.

## 1. Brand exposure to Europe's flexo community through:

- Appearing on our website
- Free attendance to events
- Exclusive event sponsorship opportunities

## 2. Shape the future of flexo by:

- Joining the Technical, Education or Marketing Committees
- Contributing to projects in areas such as skills and sustainability

## 3. Be kept informed through:

- Learning and networking with our members and the wider industry
- Priority access to all communications and regular updates
- Receiving press releases and the quarterly industry newsletter

## 4. Opportunity to compete in the Diamond Awards

- Compete against the best of the best flexo printers in Europe for a coveted FTA Europe Diamond Award

**Interested? Contact us for more details!**

## About

FTA Europe represents the common interests of the European flexographic (flexo) printing industry. The association provides a common platform for national flexo associations in Europe to collaborate in areas of shared interest, and also advocates for the industry to the EU institutions. The office of FTA Europe is located in Brussels.
