

# FTA Europe Diamond Awards 2022

5 May 2022, Milan, Italy

Since 2015, the FTA Europe Diamond Awards have recognised the best flexographic printing companies across Europe, by awarding national award winners.

Over 250 participants from the European flexo printing industry are expected to attend our fourth edition in 2022, in a glamorous, in-person event in the beautiful city of Milan, Italy. The ceremony will be held in parallel to the Print4All exhibition.

FTA Europe invites you to be part of this special event, connect with the flexo community and celebrate excellence in flexography.

**Take centre stage and benefit from exclusive brand exposure to Europe's flexo industry!**
